

Communication with Guardian

Palhi Multiple Campus operates an intranet service with access for parents. Together with the Campus agenda, this forms the main communication link between home and Campus. Parents can access academic information, calendars, photos, can make appointments and contact the child's mentor. The parents meet with the tutor once each term to discuss the child's academic progression and social development. If the families have any general questions or comments regarding the Campus, they can make an appointment with the faculty department to meet with the Head of institution.

MANAGEMENT COMMITTEE

The Palhi Multiple Campus Management Committee is a comprehensive body of people in executive capacity to engage in and oversee the overall academic and administrative affairs at the campus. The committee liaises between the campus authority including the board of directors and the campus administration to facilitate the day-to-day operation of the campus; in fact, it comprises people from across all the three aforesaid categories including some faculty representatives. The oversight of the Committee also extends beyond to monitor the extra-curricular, co-curricular activities organized or participated in /by Palhi Multiple Campus.

Vision

Through quality higher education, standard academic research, collaboration with stakeholders, and community involvement, Palhi Multiple Campus aspires to become a premier institution in Lumbini Province.

- Team Work & Leadership

I still remember convincing my parents to join an Palhi Multiple Campus instead of Other campus, and today I am really glad that I did. I have had a great experience of studying and learning at palhi multiple Campus with extremely knowledgeable, supportive, approachable, and inspiring Lecturers. Their dedication to bringing the best out of every student, by helping them in every way possibly helped us to not only develop strong academic but also our interpersonal, leadership, and critical thinking skills. In addition, access to varieties of Library resources and Information Resources Network and Writing Center, provide us an opportunity to conduct unlimited research and help us to overcome academic challenges. Most importantly, along with learning and developing skills palhi made me way more confident than I ever was, encouraging me to pursue my dreams.

Campus transport

Palhi Multiple Campus offers a bus transportation service for local routes. In order to guarantee safety and comfort to our students, we have entrusted this service to the local. One of our monitors always accompanies the students to ensure that the journey is as pleasant as possible, applying the same rules observed at campus.

Counselling Department

We provide a psycho-pedagogic guidance service in our campus that gives support to all students.

The highly experience teacher teaching psychology act as a psychologist. The main task of him is to watch over and promote the students' psychological development in all its components: psychomotor, intellectual, social, and affective-emotional. They undertake assessment and diagnosis activities, both individually and collectively, in order to detect possible learning problems and disorders. Psychological and psycho-educational intervention programs with preventive aims for development. These are complementary actions to those carried out by Lecturers in classrooms. Their aim is to increase students' integral development and school performance respecting each one's different aspects. Academic and professional guidance programs, vocational development programs, study strategies and techniques, academic performance improvement techniques, among others. Personal meetings with parents to ensure close cooperation .
